Hisar, India

## SUMMARY

- I am a motivated BCA graduate with a passion for full-stack web development and building robust, data-driven applications. I have hands-on experience with the MERN stack (MongoDB, Express.js, React, Node.js) alongside HTML, PHP, and Python. I have successfully leveraged these technologies to engineer complex projects, including a scalable peer-to-peer marketplace and a machine learning-powered crop yield prediction platform. I am eager to contribute my technical skills in a dynamic internship role, gain practical industry experience, and deliver impactful solutions within the computer science sector.

## EXPERIENCE

### Infowiz Software Solutions

May 24- July 24

#### WEB DEVELOPER INTERN

Chandigarh, IN

- Developed a fully functional website for a Kindergarten School Project using HTML, JavaScript, CSS, DHTML, and Bootstrap.
- Collaborated with team members to enhance user experience and responsiveness of the website.
- Gained practical experience in front-end development and improved coding practices.

## PROJECTS

### Accident Detection Application | Python, Android Studio, Firebase, Algorithms, 2022

- Built a real-time accident detection system using Python,
- Focused on safety automation and quick emergency response.

### RentMyExtras (P2P Marketplace) | Next.js, Firebase Console, 2026.

- Founded and engineered a comprehensive peer-to-peer equipment rental platform.
- Built a scalable MERN-stack architecture deployed to seamlessly handle user-to-user transactions for high-value gear, managing the full development lifecycle across web and mobile platforms.

### Crop Yield Prediction using ML | Python, React, Jupyter notebook, Docker, 2025.

- Developed a machine learning model to accurately predict crop yield, leveraging Python and Jupyter Notebook for data analysis and visualization.

## EDUCATION

### Chandigarh University

Jun 2026

Bachelor of Computer Applications

Mohali, PB

### National Institute of Open Schooling (N.I.O.S.)

May 2020

Class XII (Non-Med.)

Hisar, HR

### Central Board of Secondary Education (C.B.S.E.)

May 2021

Class X

Hansi, HR

## SKILLS

**Languages :** Python, JavaScript (Node.js, React.js) (React.js), HTML/CSS, SQL (PostgreSQL, MySQL)

**Tools :** Figma, GitHub, Firebase

**AI :** ML/DL, Data Fusion, R
